We desire to warn the dealers in and consumers of snuff generally, that hinds the war, certain tobacco manufasturers, being unable to find a market for their snuffs, fett themselves obliged to connect the source of our packages, and imitate our Trade Marks, so that a close inspection is necessary to detect the spurious article from the genuine, and others going so far is to assert that "Lorillard's Snuff is no ionger made." In making this publication we desire to warn the public against the impositions practiced upon them, as they are the losers the reby. It will be found upon comparison that Lorillard's Snuff is "far ahead" of all others, being made of the best stock, after an original and secret process known only to ourselves, fiesides possessing great age, strength and pungency, and is warranted not to contain any dangerous or deleterious substances, which cannot be said of the many worthless sricies pas on sale by others. The best is the cheapest in the end. A circular will always be mailed on application. In ordering please specify if Salt Snuff (High Toast), or Fresh Suuff (Extra Scotch) is desired.
